HY20	Cove Creek (Fines Creek)	58
HY30	Hyatt Creek Green Valley Branch	58
HY22	Hyatt Creek (downstream)	56
HY21	Hyatt Creek (upstream)	51

**Excellent:** Median and maximum pollutant levels in all parameters show little effect from human disturbances

**Good:** One or more parameters show minor or only occasional increases in pollutant levels from human disturbances

**Average:** Exhibits constant low levels of one or more pollutants or sudden significant, but short term increases

**Below Average:** Median pollutant levels are abnormally high in one or more parameters, or exhibits very high pollutant levels during certain weather conditions

**Poor:** Pollutant levels are consistently higher than average in several parameters and/or show extreme levels during certain weather conditions
