HAYWOOD COUNTY INAUGURAL FISHING TOURNAMENT

May 11, 2024

8:00 am to 1:30 pm (registration begins at 8 am)

Location: Richland Creek at Vance St Park
430 Vance St, Waynesville, NC 28786

Background and Fundraiser Impact:

This will be Haywood County's first fishing tournament, designed to establish and fund a youth fishing camp for Haywood County each summer. Although the proceeds from this event go toward the youth fishing camp, this tournament is setup for all ages to compete and have fun along Richland Creek, a trout designated and stocked stream running through Waynesville.

Establishing a fishing camp that infuses water quality education and outdoor recreation opportunities will provide our county's youth the opportunity to connect with their environment in a fun and meaningful way. As shown with our Kids in the Creek program, providing an immersive and educational experience in our backyard ensures our future generations will protect and become stewards of our waterways.

Many partners have joined Haywood Waterways Association to host and run this tournament, with the intention to make fishing accessible to everyone and foster a growing population of anglers and water stewards

I encourage you to support this event, either financially or by volunteering your time by joining our tournament team.

Thank you!

Preston Jacobsen,
Executive Director, Haywood Waterways Association
